

**AGENDA
CITY OF WINDCREST, TEXAS**

REGULAR CITY COUNCIL MEETING

October 3, 2016

**6:30 P.M.
Regular City Council Meeting**

NOTICE IS HEREBY GIVEN THAT A PUBLIC HEARING & REGULAR WINDCREST CITY COUNCIL MEETING WILL BE HELD AT WINDCREST CITY HALL, 8601 MIDCROWN, WINDCREST, TEXAS ON THE 3rd DAY OF OCTOBER 2016 STARTING AT 6:30 P.M. DURING THE MEETING THE FOLLOWING SUBJECTS WILL BE CONSIDERED AND THE COUNCIL MAY TAKE ACTION ON ANY OF THE LISTED SUBJECTS.

THE CITY COUNCIL RESERVES THE OPTION TO RECESS THE MEETING DURING THE EVENING OF OCTOBER 3, 2016 AND TO RECONVENE THE MEETING ON THE FOLLOWING DAY, OCTOBER 4, 2016 AT 9:00 A.M. AT THE WINDCREST CITY HALL, 8601 MIDCROWN, WINDCREST, TEXAS.

IT IS ANTICIPATED THAT MEMBERS OF OTHER CITY BOARDS, COMMISSIONS AND COMMITTEES MAY ATTEND THE MEETING IN NUMBERS THAT MAY CONSTITUTE A QUORUM OF SUCH OTHER CITY BOARDS, COMMISSIONS AND COMMITTEES, SO THAT NOTICE IS HEREBY GIVEN THAT THE MEETING IS ALSO A MEETING OF THE OTHER CITY BOARDS, COMMISSIONS AND COMMITTEES WHOSE MEMBERS ARE IN ATTENDANCE. THE MEMBERS OF THE OTHER CITY BOARDS, COMMISSIONS AND COMMITTEES MAY PARTICIPATE IN DISCUSSIONS WHICH OCCUR AT THE MEETING, BUT NO ACTION WILL BE TAKEN BY THE OTHER BOARDS, COMMISSIONS AND COMMITTEES WHOSE MEMBERS ARE IN ATTENDANCE.

REQUEST ALL PAGERS AND CELL PHONES BE TURNED OFF, EXCEPT EMERGENCY ON-CALL PERSONNEL. CITIZENS ARE ASKED TO REFRAIN FROM TALKING DURING COUNCIL PROCEEDINGS.

Ordinance No. 2016-618B(O) establishes certain protocols for City Council meetings.

At all City Council, City Commission or City Board meetings, the agenda shall include a "citizens to be heard" item. It is suggested that Citizens wishing to speak during this item sign in on the sign up roster prior to the meeting. During "Citizens to be Heard", citizens may address the City Council on topics not on the agenda for no more than three (3) minutes. In addition to the foregoing, citizens shall also have the opportunity to address the City Council during consideration of posted agenda items for no more than six (6) minutes. Each citizen shall therefore have the opportunity to address the City Council for a total of nine (9) minutes. This does not include any responses from the body. The six (6) minutes time limit authorized herein may not be transferred to another speaker in whole or in part. The presiding Officer or his/her designee will assign a Time Keeper to each meeting. The Time Keeper will maintain strict compliance of the six (6) minute rule, stopping speakers who exceed the allotted time. As authorized by Section 551.042 of the Texas Government Code, a city official may make a statement of specific factual information in response to an inquiry made by a member of the public or a recitation of existing city policy. Any deliberation or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda for a subsequent meeting. Any question posed by a Citizen, Council Member, Board Member or Commission Member for which an answer is not available at a meeting shall be answered by a member of the staff or Presiding Officer at the next regular meeting of the Body, if an answer is reasonably available and prudent. If the information is sensitive, staff will seek advice from the City Attorney.

Meeting Chair: please remind each participant in your meeting that they must speak into a microphone; the recording is the Official Minutes of your meeting and all who speak must be recorded. All guest speakers and citizens to be heard must speak from podium. Please interrupt speakers during meeting if you recognize that they are not speaking into microphone and have them do so.

I. Call to Order, Pledge of Allegiance, Invocation and Announcement

II. Citizens to be Heard

1. Citizens may address the City Council on topics not on the agenda for no more than three (3) minutes.
2. In addition to the foregoing, citizens shall also have the opportunity to address the City Council during consideration of posted agenda items for no more than six (6) minutes.
3. A City Official may make a statement of specific factual information in response to an inquiry made by a member of the public, or a recitation of existing policy in response to an inquiry made by a member of the public.

III. Presentation

1. Mayor and City Council will receive a presentation from CPS Energy regarding the Smart Grid Initiative. (Att. 1) *Rafael Castillo, Jr., City Manager requested*
2. The Mayor, City Manager and Staff will present the Budget for FY 2016/2017 in a General Overview. (Att. 2) *Mayor Alan E. Baxter requested*

- IV. Ordinances** **"In conjunction with the first reading of an ordinance, a motion should be made to either "reject the proposed ordinance" or "to forward the proposed ordinance to a subsequent City Council meeting for final adoption at its second reading". **

None

V. Resolutions

City Council will review discuss and may take action on Resolution No. 2016-601(R), a resolution ratifying the recently adopted budget. (Att. 3) Mayor Alan E. Baxter requested (Ref 09.29.16 SCCM http://windcresttx.granicus.com/MediaPlayer.php?view_id=8&clip_id=1787)

VI. Discuss & Act

The City Council will review, discuss, and may take action regarding the scheduling and/or cancellation of Regular City Council meetings during the month of November. (Att. 4) Rafael Castillo, Jr., City Manager and Kelly Rodriguez, City Secretary requested (Ref 09.19.16 RCCM http://windcresttx.granicus.com/MediaPlayer.php?view_id=8&clip_id=1772)

VII. General Announcements & Future Agenda Items Requested

Per Ordinance No. 618, repealing Ordinance No. 593; Section 9: Every agenda shall include an item entry granting a member the opportunity to propose an item for consideration of future agendas for Regular or Special Meetings. Any member may request the inclusion of such items at any meeting.

VIII. Adjournment

The City Council reserves the right to retire into executive session whenever it is considered necessary and legally justified under the Texas Government Code, Subchapter D, Sections 551.071 et. seq. including, but not limited to, consultation with attorney, real property, prospective gifts, personnel matters, exclusion of witness, security devices, and economic development matters.

I, the undersigned authority, do hereby certify that the above Notice of Meeting of the City Council of the City of Windcrest is a true and correct copy of said Notice and was posted on the bulletin board at City Hall of said City in a convenient place to the public and said Notice was posted more than seventy-two hours prior to the meeting on October 3, 2016.

By:  , City Secretary

In compliance with the Americans With Disabilities Act, the City of Windcrest Council Chambers are wheelchair accessible, and accessible parking spaces are available. The City of Windcrest will provide for reasonable accommodations for persons attending City Council meetings. To better serve you, requests should be received 48 hours prior to the

meetings. Please contact Kelly Rodriguez, City Secretary, at 210-655-0022 ext. 2150 or Fax 210-655-8776.

I certify that the attached notice and agenda of items to be considered by the City Council was removed by me from the City Hall bulletin board on the ____ October, 2016.

_____ **Title:** _____

Myths and Facts
The following are some of the most commonly circulated myths, followed by facts supported by research.

Myth: Smart meter wireless signals create a health threat.
Fact: A smart meter emits radio frequency (RF) energy just like other wireless devices, and emit far less than many, including common household items like cordless phones, microwaves and baby monitors. RF emitted by smart meters is well below the limits set by the Federal Communications Commission. With more than 25,000 articles published on the topic over the last 30 years, scientific knowledge in this area is now more extensive than for most chemicals.

Myth: Smart meters will not keep my data secure.
Fact: Information sent wirelessly from smart meters is secured, encrypted, and includes only the meter number and the amount of energy used. No identifying personal information, such as name, address, or account number is ever included. CPS Energy never releases or sells customer data, and that will not change with the use of smart meters.

Myth: Smart meters are an invasion of privacy.
Fact: Smart meters measure how much energy you use based on time of day, not how you use that energy. Furthermore, CPS Energy follows strict guidelines to ensure that your data is kept private and secure.

Myth: Smart meters will allow the utility to control my A/C or monitor my activities.
Fact: A smart meter is simply a measuring device, exactly like a traditional meter. It records the amount of electricity you use, but not how or where you use it. The meter does not allow CPS Energy to control any of your appliances.

Myth: Smart meters can cause fires.
Fact: Meters themselves do not cause fires. "Arcing" or "sparking" can occur if the meter enclosure on the building has deteriorated. Safety is our first priority, and we understand the importance of proper installation. That's one reason we've partnered with Installers experienced in meter installations.

To find out more about smart meters and the benefits of the smart grid, call us at 210-353-4264 or email smartgrid@cpsenergy.com. More information and most recent version of this document can be found at cpsenergy.com - search "smart grid."

CPS Energy's Smart Grid Initiative

CPS Energy's Smart Grid Initiative is a major upgrade to our electrical grid, allowing us to keep pace with 21st century demands. When completed in 2018, the smart grid will allow automated, two-way communication between customers and CPS Energy. The smart grid will support increased electric and gas reliability, boost efficiency and reduce costs, increase your privacy and allow you to see the energy you're buying as you go.

The smart grid is made up of three main components: a communications network of devices installed on utility poles, street lights and substations; an advanced distribution management system, which allows us to remotely manage the grid and smart meters, which will be installed on customers' homes and businesses and will communicate wirelessly to CPS Energy through the communications network.

When will I receive a smart meter?

Customers will be notified by mail several weeks before installation and by phone. In most cases, the meter can be installed without turning off electricity or gas. You do not need to be home during installation.

Are the meter installers licensed electricians?

No. The work being performed by our installers, Corix or Silver Spring Networks (SSN) is routine work. Similarly, a CPS Energy technician performing the same work would not require a license.

What happens if the installer comes across a potential safety hazard?

At any point in time, if an installer encounters an unsafe condition, they notify CPS Energy of that condition and personnel with the proper skillset to remediate the condition are dispatched and will meet the installer onsite.

What can I do to prepare?

Confirm that CPS Energy has a current contact phone number on file through Manage My Account at cpsenergy.com. Make sure installers have a clear pathway to the current meter.

How does a smart meter help me?

- **Manage Your Energy:** through a secure portal, you can see a detailed hour-by- hour breakdown of your energy use; energy-efficiency tips, customized plan to save, and more. If you haven't already, sign up for our free Manage My Account service at cpsenergy.com and click on the My Energy Usage tab.
- **Outage Alerts:** the smart meter sends us an alert when your power goes out.
- **Faster Restoration:** with automatic outage reports, our crews can respond to isolated outages quicker making power restoration more efficient.
- **More Privacy:** After 1-3 months of validation, meter readers will no longer need to enter your property to read the meter. Periodic maintenance will still occur when needed.

How will CPS Energy use smart meters?

Smart meters measure and transmit your energy usage directly to your utility, eliminating the practice of estimated bills, which means no more surprises on your electric bill. By receiving energy use

information wirelessly, CPS Energy will no longer need to enter your yard on a monthly basis to read the meter (s).

Additionally, because smart meters offer two-way communications, customers will now be able to have their electric service connected or disconnected without the waiting period it takes to send a technician to the home or business.

What information does the smart meter send to CPS Energy?

Unlike analog meters or Offsite Meter Read meters, smart meters provide visibility into voltage fluctuations, high temperature alerts at the meter and automatic outage detection. This information can be used to ensure power quality and improve outage restoration efforts.

Will anyone verify that the information the meter is sending to CPS Energy is accurate?

Prior to transitioning to relying solely on wireless meter reads, our meter readers validated the meter reads for a period of 1-2 months. During that time, we found that the information we received from the meter was accurate.

Will I be responsible for any energy use that my previous meter may have not registered?

Yes. However, it is difficult to determine for how long a meter may have been inaccurately providing consumption information. For this reason, CPS Energy will use the daily average reads of the new meter to calculate three months of bills. A bill for this amount will be sent to the customer. If needed, customers will have the option of making payment arrangements. In the event the pre-existing meter was found to not be functioning, referred to as dead meter, CPS Energy will use the daily average reads of the new meter to calculate six months of bills. A bill for this amount will be sent to the customer. If needed, customers will have the option of making payment arrangements.

How will my services be reconnected or disconnected with smart meters?

Smart meters allow us to offer enhanced customer service through the benefit of two-way communications. This capability allows CPS Energy to send a signal to the meter to turn on or off the power

without having to send a technician to the address. Customers will no longer need to wait a minimum of two working days for us to obtain a final meter read. Additionally, customers will enjoy the benefit of nearly instantaneous service when starting, transferring or reconnecting an account.

How quickly can my services be reconnected?

Reconnection can occur near real-time. Once the order is issued to the meter, the electricity will once again be available to the customer.

When will my services be disconnected?

When a disconnect order is issued, the customer will be responsible for the electric consumption through midnight of the same day.

If I make payment online, will an order be automatically generated to have my services reconnected?

Not at this time. This is a future enhancement that CPS Energy will be working to provide customers. Until then, customers must contact CPS Energy, prior to 7:00 pm, Monday through Friday to advise of the payment made. If the required amount has been paid and CPS Energy is able to confirm the payment, services will be restored.

I'm moving into a home with a smart meter and the electricity is on, from what point will I be responsible for the electricity?

When you provide us with your move-in date, we will have the capability to take a meter read on demand at midnight you will be responsible for any consumption beyond this point.

Can I opt-out of receiving a smart meter?

- Yes. Our opt-out policy includes:
- Only the customer whose name is on the bill can opt out.
 - You must remain opted out for 12 months.
 - Customers turned off for non-payment three times in any 12-month period are not eligible.
 - We will install an Offsite Meter Read (OMR) meter in place of a smart meter. A one-time \$175 meter exchange fee will apply if a smart meter has already been installed and must be removed. A non-communicating meter may be requested.
 - There is a \$20 monthly fee for manual meter read.

Why has my bill increased now that I have a smart meter installed?

There are several factors that might contribute to a customer's bill increasing. Depending on the time of year the smart meter was installed, weather may be a factor. In San Antonio summer bills as well as winter bills could cause a spike in electric and natural gas consumption.

Are the smart meters tested for accuracy?

Smart meters are tested for accuracy before they leave the manufacturing plant to ensure they meet performance standards set by the American National Standards Institute. Additionally, CPS Energy performs testing on batches of new meters when they are received.

I never saw high bills with my previous meter, why is that?

The design of a standard residential electricity meter and particularly the electromechanical meters are extremely reliable and accurate. However, like all electromechanical devices, they do fail. The most common "failure" mode is reduced registration. Anything that increases the drag on the rotating disk can cause a meter to run slow, resulting in reduced bills. Worn gears, corrosion, moisture, dust, and insects can all cause drag and result in an electromechanical meter that does not capture the full consumption of the premise over a 20 to 25 year period. When a new smart meter is installed, the more accurate consumption usage read creates a noticeable variance from what one might have considered to be a "normal" bill.

Are all meters that are being replaced result in higher bills?

No. While the average meter might be only slightly slow, a few could be significantly so. Typical test results show that 98.6% of electromechanical meters tested registered within 2% and only 0.3% registered less than 90% of actual consumption. Although 0.3% is small as a percentage, in a service area of a million meters, it represents 3,000 residences that might be under-billed by 10 to 20% prior to a new meter being deployed.

Data Privacy and Smart Meters

**Multiple layers of security
protect data privacy
during transmission.**

The Smart Grid

Many components of our electricity grid are decades old and wearing out. Utilities across the United States are spending billions of dollars to upgrade and modernize our electrical infrastructure with smarter technology to improve its efficiency, reliability and security well into the 21st century.

A major focus of this upgrade is to ensure that critical and timely data about the transmission of power is available. The smart meter is a key power system component that allows utilities and customers to understand how and when energy is being used. Millions of smart meters have already been installed in homes across the country. They can prevent outages and reduce the length of those that do occur. Smart meters help consumers save energy and money on their electrical bills, which helps the environment by reducing the need for constructing new power plants.

What is a smart meter?

A smart meter is a modern version of the analog meter still used in most U.S. homes. Smart meters allow for the collection of more accurate and detailed electricity usage data and enable the wireless communication of home energy usage. Instead of a meter reader walking on to your property to look at the numbers on a dial, the information is automatically and wirelessly sent to your utility over a secure network.

What data is collected and stored by my smart meter?

No customer-identifying information – such as names and addresses – is stored in the meters or transmitted across the network. Just like analog meters, smart meters collect how much electricity you use. The main difference is that smart meters collect more of that information throughout the day. Some smart meters send utilities a snapshot of customers' energy usage every 15 minutes, while others may collect hourly energy information.

Since smart meters collect and wirelessly transmit much more data about electricity consumption, it is important to have strong privacy protections in place.

**Advanced encryption
locks the privacy of
smart meter data.**

How is the information protected?

Protecting customer data is a top priority for utilities. For 100 years, they have advanced strong privacy protection principles. This will not change with the use of smart meters.

Even before smart meters are installed, utilities are required to submit detailed plans to their state regulatory commissions describing how customer data will be protected. Using the same advanced methods as internet banking and ATM machines, digital smart meters encrypt (code) customers' energy usage data to ensure privacy, transmitting it to the utility over a wireless network with multiple layers of security incorporated throughout the system. The performance of security measures are tested and reviewed regularly to guard against unauthorized access to systems.

Moreover, utility companies are working with federal agencies, such as the Department of Homeland Security, the Department of Energy, and the National Institute of Standards and Technology (NIST), to strengthen privacy and security standards to provide even more safeguards for consumer protection.

Who will have access to my information?

Access to information is restricted to authorized utility personnel, who need that data to satisfy a business function, such as improvements in billing and customer service.

The White House, in partnership with utilities, has initiated a program called "Green Button" designed to give consumers access to their own energy usage data. Utilities that participate in the Green Button program will allow consumers to easily access and securely download their own household smart meter data. Additionally, using the Green Button, consumers will be able to choose to share their smart meter data with companies delivering new services such as smart thermostats, remote home control systems and smart appliances.

In conclusion...

The privacy of electricity usage data is protected now and that will not change with the use of smart meters. Electric companies, the federal government, and the suppliers of critical electric grid systems and components are working together to strengthen consumer safeguards, develop a best-in-class data security model and enforce its implementation.

We encourage you to take the time to get to know your electric provider's privacy policy and commitment to keeping client data safe. With that assurance, you will feel free to enjoy the many benefits of a modernized power grid system, including the ability to manage your electricity use and save money, increased reliability of power delivery, and the integration of clean, renewable energy sources to help power our homes in the 21st century.

**Working for a consumer-friendly,
consumer-safe smart grid**

Smart Grid Benefits You Today...and Tomorrow

Technology has transformed our way of life, but our electric grid — which we trust to keep power flowing to our homes, schools, workplaces, and hospitals — hasn't been modernized to match. Now it can be, with a new investment in our nation's energy infrastructure called smart grid. It combines information technology with power transmission to benefit your home, your community, and your nation. Read on, and you'll agree that there are many reasons why this new plan for the grid deserves to be called *smart*.

Smart grid keeps your lights on.

It overhauls aging equipment.

The current electrical system is decades old and dependent upon equipment that is approaching the end of its usable life. Smart grid updates this infrastructure, ensuring that safety standards continue to be met, that power is delivered consistently, and that the system is managed efficiently.

It equips the grid to meet increasing demand.

As Americans today use more electronic devices than ever, the demand for power continues to grow rapidly. Without smart grid improvements, the old system, already strained to near-capacity, will be unable to meet the challenges of the future.

It decreases brownouts, blackouts, and surges.

You don't always know when a brownout or power surge is happening, but they can leave damaged TVs, audio equipment, and computers in their wake. Smart grid applications smooth the flow of power, and when aberrations do occur, they are more quickly and easily dealt with.

Smart grid lowers energy costs.

It gives you control over your power bill.

Smart grid makes it possible to monitor and adjust your energy use through smart meters and home energy management systems that offer 24/7 rate and usage readings. That means no surprises on your electric bill and even better, you can schedule your most energy-intensive tasks for low-demand periods when you pay less. Control of your electric usage is in your hands and dollars stay in your wallet, month after month.

It facilitates real-time troubleshooting.

When something goes wrong in today's electrical system, a utility worker must drive to the location of the problem to collect data before a solution can be devised. Smart grid improvements convert system events into instantly-retrievable digital information, so that problem solving can begin immediately. With such improved efficiency comes reduced producer costs — savings that will be passed on to you.

It reduces expenses to energy producers.

To meet spikes in energy consumption, today's system relies on the building and maintenance of expensive standby plants which sit idle except during rare critical demand periods. Smart grid allows direct communication with end-user equipment to reduce consumption during these peak periods, lowering the need for costly standby power plants.

Smart grid secures America's energy independence.

It facilitates broad-scale electric vehicle charging.

Like many Americans, you may be contemplating replacing your gas guzzler with an efficient electric vehicle. Once you do make the switch, you'll need a reliable, low-cost way to recharge it anytime, anywhere. When you and millions of other owners plug in to charge your electric vehicles, smart grid will be ready to handle the new demand.

It makes renewable power feasible.

Sophisticated smart grid systems are needed in order to strategically manage the diverse and geographically scattered renewable power sources like wind farms, solar plants, and hydro stations. Smart grid will ensure that this energy can be stored safely and distributed where and when it's needed.

It maintains our global competitiveness.

Today, even developing countries are building their energy infrastructure on faster, more modern technologies. Our electric grid once gave us a competitive advantage, but now it's causing us to fall behind. Smart grid safeguards our nation's position at the forefront of the world's transition toward a clean energy future.

Reliability, cost savings,
and energy independence are just three
of the many benefits of smart grid. These
and more make it the energy technology
not just for the future, but for today.

Myths vs. Facts: The Truth about Smart Meters

Misunderstanding advanced technology can lead to the emergence of urban legends. The case is no different with smart meters, which utilities are rolling out across the country in an effort to bring the benefits of a modernized electric grid to consumers like you.

The following are the most commonly circulated smart meter myths. Our responses, each supported by research, offer the facts — the real deal on smart meters.

MYTH NO. 1

Smart meters are less accurate than analog meters.

TRUTH: Smart meters are rigorously tested for accuracy even before they leave the manufacturing plant.

TRUTH: Some public service commissions require meter manufacturers to supply test results to prove that their smart meters generate on-the-mark measurements. All meter manufacturers must follow performance standards set by the American National Standards Institute.

TRUTH: Prior to installation, utilities repeatedly perform accuracy tests, often side-by-side with analog meters.

Repeated tests confirm that smart meters are accurate, in some cases even more accurate than analog meters.

MYTH NO. 2

Smart meters are a health threat because they communicate using wireless signals.

TRUTH: In-depth review of the scientific literature by the World Health Organization (WHO) revealed that the small amount of radio frequency (RF) energy produced by smart meters is not harmful to human health.

TRUTH: RF emitted by smart meters is well below the limits set by Federal Communications Commission and it is below levels produced by other common household devices like cell phones, baby monitors, satellite TVs, and microwaves. In fact, you would have to be exposed to the RF from a smart meter for 375 years to get a dose equivalent to that of one year of 15-minutes-per-day cell phone use.

No credible evidence shows any threat to human health from RF emissions at or below RF exposure limits developed by the FCC. With over 25,000 articles published on the topic over the last 30 years, scientific knowledge in this area is now more extensive than for most chemicals.

MYTH NO. 3

Smart meters will not keep my data secure.

TRUTH: Just as the banking, credit card and cable industries have provided secure access to your information online, the utility industry is poised to do the same using advanced security and encryption technology to safeguard your data.

TRUTH: Utilities are involved in national consortiums and work with national cyber-security to regularly audit their systems to ensure privacy and security of smart meters.

The privacy of your data is protected now. Utilities work constantly to safeguard it. That will not change with the use of smart meters.

MYTH NO. 4

Smart meters are hazardous, increasing the risk of fire and explosion.

TRUTH: Smart meters must meet safety requirements and standards spelled out in the National Electric Safety Code (NESC).

TRUTH: Public service commissions require independent certification proving that smart meters are safe and show resistance to heat, fire, voltages, surges, and self-heating.

Companies that manufacture smart meters produce certifiably safe and reliable equipment. Nevertheless, smart meters should be installed and uninstalled only by trained professionals exercising standard safety precautions.

MYTH NO. 5

Smart meters are an invasion of privacy.

TRUTH: Smart meters measure how much energy you use, based on time of day, not how you use that energy. Unless you install a home energy management system, smart meters cannot tell whether the energy used is from your oven, air conditioner, or hairdryer.

TRUTH: Utilities adhere to strict policies, following state laws that regulate the use of personal information for business functions like billing and customer service.

Smart meters are a landmark change allowing two-way communication between your utility and you, much like cell phones and banking. Utilities keep your data private and secure, similar to those industries and similar to how it's always been.

MYTH NO. 6

Smart meters do not provide any consumer benefits.

TRUTH: Smart meters measure and transmit your energy usage directly to your utility, eliminating the practice of estimated bills, which means no more surprises on your electric bill.

TRUTH: Smart meters provide you with near-real time energy usage information about how much, when and in some cases, at what price, you use energy. Armed with this information, you can take more control over your energy consumption—and your monthly bills.

TRUTH: Working as a part of the smart grid, smart meters improve power outage detection and notification. Smart meters electronically report the location of outages before you ever have to call your utility, making restoration faster and status notification to you much easier.

Greater reliability, faster power restoration, convenience, and control are just a few of the many benefits of smart meters.

**Working for a consumer-friendly,
consumer-safe smart grid**

Separating myths from reality allows you to take advantage of all the benefits that a smarter, more modernized electric grid offers. It's important to stay informed and learn about the different ways your utility is deploying smart grid and smart meters to improve their electric service. For trusted information about smart grid and smart meters visit the Smart Grid Consumer Collaborative (SGCC) at smartgridcc.org, the US Department of Energy at SmartGrid.gov, or your utility website.

Fiscal Year 2016-17

*Proposed Annual Budget
and
Plan for Municipal Services*

Pending Approval of Tax Rate

FILED WITH THE CITY SECRETARY
July 29, 2016

City of Windcrest, Texas

List of Principal Officials

City Council

Alan E. Baxter - Mayor

Council Members by Place:

Gerd Jacobi - Place 1
Jim Shelton - Place 2
Pamela Dodson - Place 3

Kimberly Wright - Place 4, Mayor Pro Tem
Matthew Vandenberg - Place 5

City Staff

Rafael Castillo Jr., City Manager
Donald Hakala, Municipal Finance Officer, CPA
Natalia Witmer, Accountant/CTP
Kelly Rodriguez, City Secretary
Michael Brenan, City Attorney
Steve Takas, Municipal Judge
Tom Garcia, Public Works Director
Chief Al Ballew - Police
Chief Josh Brown – Fire

Mayor's Message

Work in progress, the Mayor's Message will be included with the approved budget.

For more information about Capital Expenditures/CIP Plan click on the link below:

<http://www.windcrest-tx.gov/DocumentCenter/View/1425>

ORDINANCE NO. _____

AN ORDINANCE APPROVING AND ADOPTING A BUDGET FOR OPERATING THE MUNICIPAL GOVERNMENT OF THE CITY OF WINDCREST FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2016 AND ENDING ON SEPTEMBER 30, 2017; APPROPRIATING MONEY FOR THE VARIOUS FUNDS AND PURPOSES OF SUCH BUDGET INCLUDING APPROPRIATIONS OF MONEY TO PAY INTEREST AND PRINCIPAL SINKING FUND REQUIREMENTS ON ALL INDEBTEDNESS; PROVIDING A SAVINGS AND SEVERABILITY CLAUSE; REPEALING ALL ORDINANCES AND APPROPRIATIONS IN CONFLICT WITH THE PROVISIONS OF THIS ORDINANCE; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, a budget for operating the municipal government of City of Windcrest for the fiscal year October 1, 2016, to September 30, 2017, has been prepared in accordance with Chapter 102 of the Texas Local Government Code for the City of Windcrest, Texas; and

WHEREAS, said budget has been submitted to the City Council in accordance with the Local Government Code; and

WHEREAS, public notice of a public hearing upon this budget has been duly and legally made as required by the Local Government Code; and

WHEREAS, said public hearing on the Proposed Budget has been held; and

WHEREAS, the City's Proposed Budget has been amended in accordance with the Local Government Code; and

WHEREAS, a public hearing has been had upon said amendments to the Proposed Budget and, after full and final consideration of proposed expenditures, revenues, financial condition, and comparative expenditures as presented, it is the consensus of opinion that the budget as considered and amended at said hearings should be approved and adopted.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WINDCREST:

SECTION 1.

That the City Council of the City of Windcrest ratifies, approves and adopts the budget as finally considered for the fiscal year of October 1, 2016, to September 30, 2017, a copy of which shall be filed with the office of the City Secretary and with the Bexar County Clerk and which shall also be posted on the City's Internet Website, and which is incorporated herein for all intents and purposes.

SECTION 2.

That the appropriations for the 2016-2017 fiscal year for the different administrative units and purposes of the City of Windcrest, Texas be fixed and determined for said fiscal year in accordance with the expenditures shown in said budget, and that the distribution and division of said appropriations be made in accordance with said budget including such amounts shown for providing for sinking funds for payment of the principal and interest and the retirement of the bonded debt of the City of Windcrest.

SECTION 3.

That should any part, portion, or section of this ordinance be declared invalid or inoperative or void for any reason by a court of competent jurisdiction, such decision, opinion or judgment shall in no way affect the remaining portions, parts, or sections or parts of section of this ordinance, which provisions shall be, remain and continue to be in full force and effect.

SECTION 4.

That all ordinances and appropriations for which provision has heretofore been made are hereby expressly repealed if in conflict with the provisions of this ordinance.

SECTION 5.

That this ordinance shall take effect and be in full force and effect from and after its passage and approval according to law.

PASSED, APPROVED AND ADOPTED this [REDACTED]th day of September, 2016, at a regular meeting of the City Council of the City of Windcrest, Texas, which meeting was held in compliance with the Open Meetings Act, *Tex. Gov't Code* 551.001, et.seq., at which meeting a quorum was present and voting.

RESOLUTION NUMBER _____

A RESOLUTION RATIFYING THE RECENTLY ADOPTED BUDGET.

WHEREAS, the City of Windcrest adopted its Budget for fiscal year 2016-2017;
and

WHEREAS, Local Government Code Section 102.007 (c) requires the City to
ratify the Budget by a separate vote;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of
Windcrest, Texas, that:

1. The recently adopted Budget for fiscal year 2016-17 containing a property
tax increase that raises more revenue from property taxes than was raised from property
taxes in the previous year is hereby ratified.

DULY PASSED AND APPROVED, on the th day of September, 2016 at a
regular meeting of the City Council of the City of Windcrest, Texas, which meeting was
held in compliance with the Open Meetings Act, Tex. Gov't. Code, §551.001, et. seq. at
which meeting a quorum was present and voting.

CITY OF WINDCREST, TEXAS

ATTEST:

Kelly Rodriguez, City Secretary

ORDINANCE NO. _____

AN ORDINANCE ADOPTING THE TAX RATE AND LEVYING A TAX UPON ALL PROPERTY SUBJECT TO TAXATION WITHIN THE CITY OF WINDCREST, TEXAS, FOR THE 2016 TAX YEAR FOR THE USE AND SUPPORT OF THE MUNICIPAL GOVERNMENT OF THE CITY OF WINDCREST FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2016 AND ENDING ON SEPTEMBER 30, 2017; APPORTIONING SAID LEVY AMONG THE VARIOUS FUNDS AND ITEMS FOR WHICH REVENUE MUST BE RAISED INCLUDING PROVIDING A SINKING FUND FOR THE RETIREMENT OF THE BONDED DEBT OF THE CITY; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, the Chief Appraiser of the Bexar County Tax Appraisal District has prepared and certified the appraisal roll of the City of Windcrest, Texas, said roll being that portion of the approved appraisal roll of the Bexar County Tax Appraisal District which lists property taxable by the City of Windcrest, Texas; and

WHEREAS, the Tax Assessor and Collector of Bexar County has performed the statutory calculations required by Section 26.04 of the Texas Tax Code, and has published the effective tax rate, the rollback tax rate, an explanation of how they were calculated, and has fulfilled all other requirements for publication as contained in Section 26.04(e) of the Texas Tax Code, in a manner designed to come to the attention of all residents of said City and has submitted said rates to the City Council of said City prior to the regular City Council meeting of September 1st 2016; and

WHEREAS, the City Council has complied with all applicable requirements of the Texas Tax Code prior to the setting of the tax rate for said City for 2016.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WINDCREST:

SECTION 1.

That the tax rate of the City of Windcrest, Texas for the tax year 2016 be, and is hereby, set at \$ 0.00 on each one hundred dollars (\$100) of the taxable value of real and personal property not exempt from taxation by the constitution and laws of this state situated within the corporate limits of said City.

SECTION 2.

That there is hereby levied for the tax year 2016 upon all real and personal property not exempt from taxation by the constitution and laws of this state situated within the corporate limits of said City, and there shall be collected for the use and support of the municipal government of the City of Windcrest, Texas, to provide a sinking fund for the retirement of the bonded debt of said City and to provide for permanent improvements in said City, and said tax, so levied and collected, shall be apportioned to the specific purposes hereinafter set forth; to-wit:

- A. For the payment of current expenses and to be deposited in the general fund (for the purposes of maintenance and operations) _____ cents on each one hundred dollars (\$100) of the taxable value of such property; and,
- B. To provide for sinking funds for the payment of the principal and interest and the retirement of the bonded debt, and the same shall become due as shall be necessary to pay the principal and interest of the current year as follows:

_____ cents per one hundred dollars (\$100) valuation.

SECTION 3.

That the Bexar County Tax Assessor and Collector is hereby authorized to assess and collect the taxes of said City employing the above tax rate.

SECTION 4.

That the Municipal finance Officer of said City shall keep accurate and complete records of all monies collected under this Ordinance and the purposes for which same are expended.

SECTION 5.

That monies collected pursuant to this Ordinance shall be expended as set forth in the City of Windcrest's FY 2016-2017 Annual Budget.

SECTION 6.

That all monies collected which are not specifically appropriated shall be deposited in the general fund.

SECTION 7.

That this ordinance shall take effect and be in full force and effect from and after its passage and approval according to law.

PASSED, APPROVED AND ADOPTED this [REDACTED]th day of September, 2016, at a regular meeting of the City Council of the City of Windcrest, Texas, which meeting was held in compliance with the Open Meetings Act, *Tex. Gov't Code* 551.001, et.seq., at which meeting a quorum was present and voting.

ORDINANCE NO. _____

AN ORDINANCE SETTING FEES FOR VARIOUS CITY SERVICES AND CONSOLIDATING THOSE FEES FOR CONVENIENCE; AMENDING VARIOUS CITY ORDINANCES; AND CONTAINING A SEVERABILITY CLAUSE AND AN EFFECTIVE DATE.

WHEREAS, the City of Windcrest has adopted numerous ordinances that provide for various fees and charges that are subject to change from time to time; and

WHEREAS, the City has determined that it would be convenient to consolidate those fees in one ordinance that can be reviewed and amended as needed from time to time; and

WHEREAS, the City has adopted a budget for the upcoming fiscal year that incorporates the fees and charges specified herein; and

WHEREAS, the City has determined that the fees and charges specified herein are reasonable, necessary, fair and designed to fund the various activities to which they pertain; and

WHEREAS, the City has conducted a public hearing at which the fees imposed herein were made known to the public and the governing body; and

WHEREAS, the City has determined that the fees set forth herein will promote the health, safety, and welfare of the citizens of Windcrest; and

WHEREAS, this ordinance was adopted at a meeting of the Windcrest City Council held in strict compliance with the Texas Open Meetings Act at which a quorum of the City Council was present and voting;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WINDCREST, TEXAS:

SECTION 1. Rates Imposed.

The City hereby adopts the Fee Schedule attached as Exhibit “A” hereto and imposes the fees set forth therein upon the services, activities, events, materials, and supplies that are described therein. These rates shall be collected by the City in accordance with the various City ordinances that more particularly describe each of the fees.

SECTION 2. Ordinances Amended.

Each City ordinance that originally provided a fee, charge, or fine that is mentioned on Exhibit "A" is hereby amended as shown on Exhibit "A."

SECTION 3. Severability.

Should any portion or part of this ordinance be held for any reason invalid or unenforceable by a court of competent jurisdiction, the same shall not be construed to affect any other valid portion hereof, but all valid portions hereof shall remain in full force and effect.

SECTION 4. Effective Date.

This Ordinance shall be effective upon its passage.

PASSED AND APPROVED THE th day of September, 2016.

ORDINANCE NO. _____

**AN ORDINANCE ADOPTING AN ORGANIZATIONAL
CHART AND DEPARTMENTAL CLASSIFICATIONS**

WHEREAS, the City Charter requires the City Council to establish the city's organizational chart and departmental classifications in Section 3.03 (3) and Section 5.01.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF
THE CITY OF WINDCREST THAT** the attached organizational chart with
departmental classifications is hereby approved and adopted as required by the City
Charter and that the previous organizational charts are repealed.

This ordinance shall take effect upon its final passage, and it is so ordained.

PASSED and ADOPTED this the day of , 2016.

Alan Baxter, Mayor

ATTEST:

Kelly Rodriguez, City Secretary

APPROVED AS TO FORM:

Michael S. Brenan, City Attorney

BUDGET GLOSSARY

To assist the reader of the Annual Budget and Plan of Municipal Services document in understanding various terms, a budget glossary has been included.

Accrual Accounting - A basis of accounting in which debits and credits are recorded at the time they are incurred as opposed to when cash is actually received or spent. For example, in accrual accounting, a revenue which was earned between April 1 and July 31, but for which payment was not received until August 10, is recorded as being received on July 31 rather than on August 10.

Administrative Charges - The charges imposed upon a fund for support services provided by another fund. For example, the Finance Department (General Fund) provides services to the Garbage Fund, therefore the General Fund charges the Garbage Fund for these services based on reasonable allocation methods.

Adopted - Adopted, as used in fund summaries and department and division summaries within the budget document, represents the budget as approved by formal action of the City Council which sets the spending limits for the fiscal year.

Ad Valorem Taxes - Commonly referred to as property taxes are the charges levied on all real, and certain personal property according to the property's assessed valuation and the tax rate, in compliance with the State Property Tax Code.

Amended Budget - Includes the adopted budget for a fiscal year, plus any budget amendments or budget transfers.

Annexed Property - Land previously outside the City limits that becomes part of the City during a year through the legal process of incorporation.

Annual Operating Plan - The Annual Operating Plan acts as the City's short range guideline for revenue projections, cost of service budgeting and project planning and demonstrates incremental progress towards the implementation of the Century Plan. The Annual Operating Plan includes programs, projects and work activities for the one, two and seven year horizons.

Appropriation - An authorization made by the city council which permits the city to incur obligation and to make expenditures of resources.

Appropriation Ordinance - The official enactment by the City Council to establish legal authority for City officials to obligate and expend resources.

Assessed Valuation - A value that is established for real or personal property for use as a basis for levying property taxes. (Note: Property values are established by the Coryell County Appraisal District.)

Asset - Resources owned or held which have monetary value.

Audit - A comprehensive review of the manner in which the government's resources were actually utilized. A certified public accountant issues an opinion over the presentation of financial statements, test the controls over the safekeeping of assets and makes recommendations for improvements where necessary.

Attrition - Savings which occur when personnel vacancies are not immediately filled on positions which are fully funded for the year.

Authorized Positions - Personnel slots which are budgeted in the adopted budget to be filled during the year, sometimes referred to as FTE's (Full-Time Equivalents).

BUDGET GLOSSARY

Balance Sheet - A financial Statement that discloses the assets liabilities, reserves and balances of a specific governmental fund as of a specific date.

Balanced Budget – Current revenues plus available unreserved fund balances equal to or greater than current expenditures.

Base Budget - Cost of continuing the existing levels of service in the current budget year.

Beginning Fund Balance - Cash available in a fund from the prior year after payment of the prior year's expenses and deductions for prior year's encumbrances.

Benchmarking - Measures progress from a point in time and is something that serves as a standard by which others may be measured.

Bond - A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond ordinance. The most common types of bonds are general obligation and revenue bonds. These are most frequently used for construction of large capital projects, such as buildings, streets and bridges.

Bond Fund - A fund used to account for the proceeds of general obligation bond issues.

Bond Refinancing/Refunding - The payoff and reissuance of bonds, to obtain a better interest rate and/or bond condition.

Budget - A plan of operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. The City of Windcrest's budget is called the Annual Operating Plan.

Budget by Program/Function - A breakdown of the annual budget that groups like expenditures by the type of program or function. Interfund charges and Internal Service fund premiums or leases are eliminated for presentation purposes.

Budget Calendar - The schedule of key dates or events, which the City follows in the preparation, adoption, and administration of the budget.

Budget Year - The fiscal year of the City which begins October 1 and ends September 30.

Capital Budget - A plan of proposed capital outlays and the means of financing them for the current fiscal period.

Capital or Capital Outlay - See the Capitalization Policy in the Budget for a definition of this term.

Capital Improvement Project - The specific projects that make up the Capital Improvements Program. The projects involve construction, purchase, or renovation of City facilities or property.

Capital Improvements Program (CIP) - A management tool used to assist in the scheduling, planning and execution of a series of capital improvements over a period of time. The CIP should be updated annually. It sets forth the estimated expenditures by year and specifies the resources estimated to be available to finance the project expenditures. Capital improvements refer to additional investment in basic facilities owned by the City with life expectancy greater than five years.

Capital Outlay - Expenditures for fixed assets, such as equipment, remodeling, minor building improvements and vehicles, that are funded from the operating budget. Since long-term financing is

BUDGET GLOSSARY

not necessary and expenditures of this type are of such recurring character, these items are not part of the Capital Improvements Program.

Certificates of Obligation - Another form of debt that are backed by a pledge of the full faith and credit of the City. This form of debt differs from general obligation bonds in that they do not require direct approval of the voters rather an indirect approval.

Capital Recovery Fees - Capital Recovery Fees are developer paid infrastructure fees adopted under Chapter 395 of Texas Local Government Code or as part of a development agreement.

Capital Replacement Fund - Vehicle which allows purchase of operating capital items on a long-term basis through budgeted annual payments and transfers during the fiscal year. The City's Fleet and Information Services Internal Service Funds act as capital replacement funds.

Cash Accounting - A basis of accounting in which transactions are recorded when cash is either received or expended.

Contingency - A budgetary appropriation reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for. The primary contingency account requires City Council approval for all expenditures.

Contingency Reserves - A portion of the budgeted ending fund balance or working capital that is not available for appropriation. The intent of the reserves are to provide flexibility, should actual revenues fall short of budgeted revenues and to provide adequate resources to implement budgeted expenditures without regard to the actual cash flow of the fund.

Cost Center - An administrative branch of a division.

Debt Service - The amount of interest and principal the City must pay each year on long-term and short-term debt.

Debt Service Fund - The debt service fund, also known as an interest and sinking fund, was established for funds needed to make principal and interest payments on outstanding bonds when due.

Delinquent Taxes - Taxes that remain unpaid after the date on which a penalty for nonpayment is attached. Property tax statements are mailed out in October and become delinquent if unpaid by January 31.

Department - A major organizational unit that reports directly to the city manager. This unit may be responsible for one type of activity or several types of activities.

Depreciation - The process of estimating and recording the lost usefulness, expired useful life or diminution of service from a fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the fixed asset's lost usefulness is the depreciation or the cost to reserve in order to replace the item at the end of its useful life.

Division - A basic organizational unit of government which is functionally unique in its delivery of services.

Effective Tax Rate - The rate which produces the same effect in terms of the total amount of taxes as compared to the prior year.

BUDGET GLOSSARY

Employee Benefits - For the purpose of budgeting, this term refers to the City's costs of health insurance, pension contributions, social security contributions, workers' compensation and unemployment insurance costs.

Encumbrance - The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

Enterprise Fund - A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures. Enterprise funds are established for services such as garbage, water, wastewater, gas, airport, and the golf course.

Estimated Revenue - The amount of projected revenue to be collected during the fiscal year.

Expenditure - The outflow of funds paid or to be paid for an asset obtained or goods or services obtained regardless of when the expense is actually paid. This term applies to all funds. (Note: an encumbrance is not an expenditure. An encumbrance reserves funds to be expended.)

Expense - Charges incurred whether paid immediately or unpaid for operation, maintenance, interest and other charges.

Fiscal Year - The time period designated by the city signifying the beginning and ending period for recording financial transactions. The City of Windcrest has specified October 1 - September 30 as its fiscal year.

Fixed Assets - Assets of long-term character which are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

Franchise Fee - A fee that a government imposes to permit the continuing use of public property and right of ways, such as city utility poles, streets, etc.

Full Faith and Credit - A pledge of the City's taxing power to repay debt obligations (typically used in reference to general obligation bonds or tax supported debt.)

Full-Time Equivalent (FTE) - A measure of authorized personnel calculated by equating 2,080 hours of work per year with the full-time equivalent of 1 position.

Function - A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible.

Fund - An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions. Eight commonly used funds in public accounting are: general fund, capital projects funds, special revenue funds, debt service funds, internal services funds, enterprise funds, agency funds and trust funds.

Fund Balance - The difference between fund assets and fund liabilities of governmental and similar trust funds less any reservations of fund equity. Specifically, fund balance represents the funds that are available for appropriation.

Funding Source - Identifies the source of revenue to fund appropriations.

GAAP - Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules and procedures that define accepted accounting principles.

BUDGET GLOSSARY

General Fund - The fund that is available for any legal authorized purpose and which is therefore used to account for all revenues and all activities except those required to be accounted for in another fund. Note: The general Fund is used to finance the ordinary operations of a governmental unit.

Generally Accepted Accounting Principles (GAAP) - The uniform minimum standards and guidelines for financial accounting and reporting. The primary authoritative body on the application of GAAP to state and local governments is the Governmental Accounting Standards Board (GASB).

General Obligation Bonds - Bonds whose principal and interest is backed by the full faith credit and taxing powers of the government.

General Obligation Dept - Tax supported bonded debt which is backed by the full faith and credit of the City.

Goal - A goal is a long-term, attainable target for an organization.

Grant - A contribution by one governmental unit to another. The contribution is usually made to aid in the support of a specified function (for example, education), but it is sometimes also for general purposes.

Home Rule City - A city in which Council is free to enact legislation, adopt budgets and determine policies, subject only to the limitations imposed by the Texas Constitution and City Charter.

Impact Fees - Fees assessed to developers to help defray a portion of the costs that naturally result from increased development. By Texas law, these fees must be used for capital acquisition of debt service relating to capital projects.

Infrastructure - Structures and equipment such as highways, bridges, buildings and public utilities.

Interfund Transfers - The movement of monies between funds of the same governmental entity.

Intergovernmental Revenue - Revenue received from other governments in the form of grants, shared revenues or payments in lieu of taxes.

Internal Service Fund (ISF) - A fund established to finance and account for services and commodities furnished by a designated department or agency to other departments or agencies within a single governmental unit or to other governmental units. Amounts expended by the fund are restored thereto, either from operating earnings or by transfers from other funds, so that the original fund capital is kept intact.

Modified Accrual Accounting - Under the modified accrual bases of accounting, recommended for use by governmental funds, revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred pursuant to appropriation authority.

Net Working Capital - The excess of current assets over current liabilities.

Operating Budget - A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. The term usually indicates a financial plan for a single fiscal year.

BUDGET GLOSSARY

Performance Measure - An identifiable unit of measuring the effectiveness and efficiency of providing services. Data collected to determine how effectively or efficiently a program is achieving its objectives.

Personnel Expenditures - For the purpose of budgeting, this term refers to all wages and related items: regular pay, premium pay, longevity pay, social security, life insurance, retirement plan contributions, health insurance and workers' compensation insurance.

Policy - A policy is a plan, course of action or guiding principle designed to set parameters for decisions and actions.

Program - A group of related activities performed by one or more organizational units for the purpose of accomplishing a function for which the City is responsible.

Projected Actual - An estimate of year ending balances for all accounts used for budgeting purposes.

Property Taxes - Used to describe all revenue received in a period from current taxes and delinquent taxes. Property taxes are levied on both real and personal property according to the property's valuation and tax rate.

Reservation - A balance of funds that are set aside by policy for a specific purpose or to draw upon for emergencies (as in contingency reservation).

Revenue - The yield of taxes on other monetary resources that the City collects and receives into the treasury for public use. For those revenues which are recorded on the accrual basis, this term designates additions to assets which (1) do not increase any liability; (2) do not represent the recovery of an expenditure; (3) do not represent contributions of fund capital in enterprise and internal service funds. The same definition applies to those cases where revenues are recorded on the modified accrual or cash basis, except that additions would be partially or entirely to cash.

Revenue Appropriation - A designated portion of a fund to be allocated and appropriated to the reserve of the fund in order to meet potential liabilities during the fiscal year.

Revenue Bonds - Bonds whose principal and interest are payable exclusively from earnings of an enterprise fund.

Risk Management - An organized attempt to protect a government's assets against the accidental loss in the most economical method.

Rollback Tax Rate - A calculated maximum rate allowed by law without voter approval. The rollback rate provides the taxing unit with about the same amount of tax revenue it spent the previous year for day-to-day operations, plus an extra 8% increase for those operations plus sufficient funds to pay debts in the coming year.

Source of Revenue - Revenues are classified according to their source or point of origin.

Special Revenue Funds (SFR) - A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes.

Strategy - A strategy is a specific, measurable and observable result of an organization's activity which advances the organization toward its goal.

BUDGET GLOSSARY

Surplus - The excess of the assets of a fund over its liabilities; or if the fund has other resources and obligations; the excess of resources over the obligations. The term should not be used without a properly descriptive adjective unless its meaning is apparent from the context. See also Fund Balance.

Tax Base - The total value of all real, personal and mineral property in the City as of January 1st of each year, as certified by the County Appraisal Board. The tax base represents net value after all exemptions.

Tax Levy - The total amount to be raised by general property taxes for operating and debt service purposes specified in the annual tax ordinance.

Tax Rate - The amount of tax levied for each \$100 of assessed valuation.

Times Coverage Ratio - A calculation of the revenue available divided by the combined debt payment requirements of the utilities. This ratio is one indication of the City's ability to pay its revenue debt obligations.

Transfers - Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

Trust Fund - The trust fund was established to account for all assets received by the city that are in the nature of a trust and not accounted for in other funds. The trust fund is accounted for as an expendable trust fund.

Unencumbered Balance - The amount of an appropriation that is not expended or encumbered. It is essentially the amount of money still available for future purchases.

User Charges - The payment of a fee for direct receipt of a public service by the party benefiting from the service.

Working Capital - For enterprise funds, the excess of current assets over current liabilities. Working capital of a fund is important because budgeted expenditures of the fund must be provided for from cash receipts during the year supplemented by working capital carried over from prior years, if any.

* Difference between FY 14-15 and FY 15-16 converted the part time Animal Control Officer to a Full Time Position

* A Police Officer position was added due to the deployment of one of our current police officers. Deployment continues through the FY 16-17.

RESOLUTION NUMBER 2016-601(R)

A RESOLUTION RATIFYING THE RECENTLY ADOPTED BUDGET.

WHEREAS, the City of Windcrest adopted its Budget for fiscal year 2016-2017;
and

WHEREAS, Local Government Code Section 102.007 (c) requires the City to ratify the Budget by a separate vote;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Windcrest, Texas, that:

1. The recently adopted Budget for fiscal year 2016-2017 containing a property tax increase that raises more revenue from property taxes than was raised from property taxes in the previous year is hereby ratified.

DULY PASSED AND APPROVED, on the _____ day of _____, 2016 at a regular meeting of the City Council of the City of Windcrest, Texas, which meeting was held in compliance with the Open Meetings Act, Tex. Gov't. Code, §551.001, et. seq. at which meeting a quorum was present and voting.

CITY OF WINDCREST, TEXAS

Alan Baxter, Mayor

ATTEST:

Kelly Rodriguez, City Secretary

APPROVED:

Michael S. Brennan, City Attorney
